The risk of loss on a short sale is potentially unlimited since there is no limit to the price increase of a security. There is no guarantee the brokerage firm can continue to maintain a short position for an unlimited time period. Your position may be closed out by the firm without regard to your profit or loss. Short sales may only be submitted in a margin-approved account. Margin is not available in all account types. Carefully review the TD Ameritrade Margin Handbook and Margin Disclosure Document before applying for margin. Please see the TD Ameritrade Web site or contact TD Ameritrade for copies of these documents.
